

# Media Center Scholarship Application Form

(rev. 1/19/05)

Media Center is a non-profit organization responsible for enabling community members to use cable TV for the free expression of ideas. We teach people who live or work in the local COMCAST cable service area how to make their own non-commercial TV programs for cablecasting on Channel's 27 and 28.

Media Center charges nominal fees for classes, but will not turn anyone away for lack of funds. You can apply for a partial scholarship, if you can afford to pay half of the class tuition.
